# FOUR BEDROOM PRESIDENTIAL VILLA DIAMOND

SANTA MARINA  
A LUXURY COLLECTION RESORT  
Mykonos

Situated at the top of our 20-acre property, lies the gem of our elegant resort – our Presidential Villa. This exclusive Four-bedroom villa has been constructed to take advantage of its stunning natural setting with magnificent views over the sea, Aegean islands, (including Ancient Delos, Paros and Naxos) and part of Mykonos town, (3.5km away). Entrance is at ground level where there is an elevator or stairs to the accommodations on the main floor and top floors. Designer interiors include two lounge areas, fully equipped kitchen and dining room on the main floor that open to generous terraces where the infinity pool merges seamlessly into the sea – the views are breathtaking. The two king bedded master bedrooms and two twin rooms with en-suite marble bathrooms, enjoy panoramic views from their private balconies.

## Amenities
