Four Bedroom Presidential Villa Tanzanite

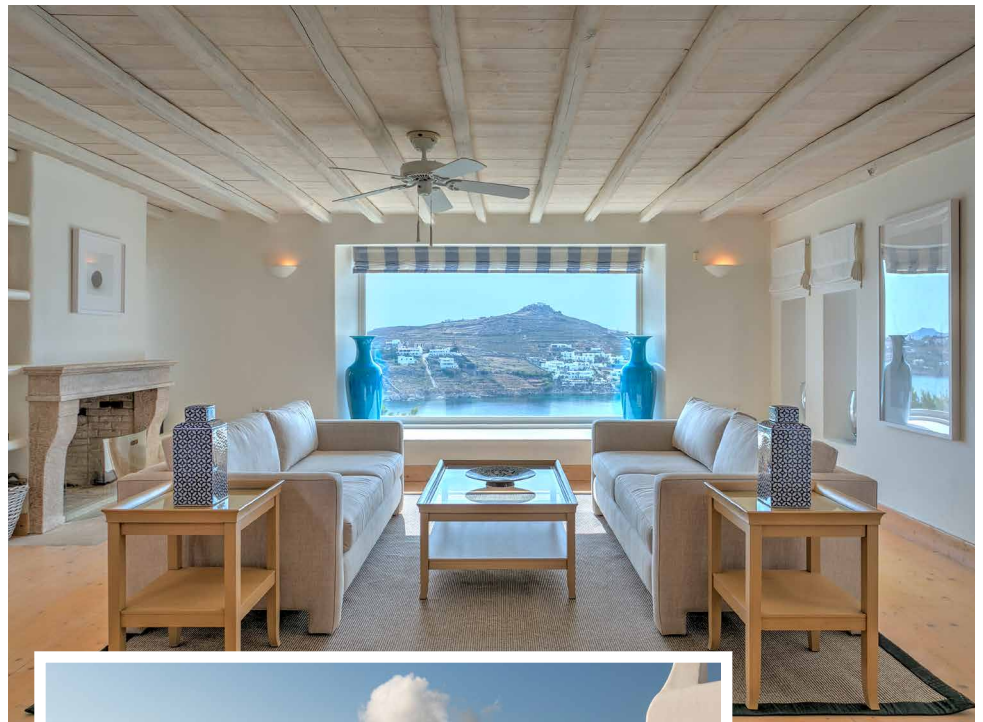

SANTA MARINA
A LUXURY COLLECTION RESORT

Mykonos

Situated at the top of our 20-acre property, lies the second gem of our elegant resort – a recently updated additional Presidential Villa.

This elegant Four-bedroom villa enjoys a stunning natural setting with magnificent views over the Aegean sea, neighboring islands and part of Mykonos town, (3.5km away). The one king bedded master, a queen bedded guest room and two twin rooms with en-suite marble bathrooms, enjoy panoramic views from their private balconies.

Entrance is at ground level, whereby lies the living room, dining room and kitchen. A Guest Room with ensuite bathroom is also located at ground level following where stairs lead to the remaining three ensuite accommodations, two of which on the first floor and one on the top floor. The outdoor offers generous terrace with teak dining furniture, rattan lounge sofas and a generous pool merging seamlessly into the sea.
